# STATEMENT ON CORPORATE GOVERNANCE

#### 1. Overview

Corporate Governance is the system by which a Company is directed, controlled and managed. In LankaBangla Finance Limited (LBFL), the Corporate Governance Framework guides our drives towards progress by way of developing and implementing appropriate corporate strategies. The approach to governance is predicated on the belief that there is a link between high-quality governance and the creation of long-term stakeholder value. In pursuing the Corporate Objectives, we have committed to the highest level of governance and strive to foster a culture that values and rewards exemplary ethical standards, personal and corporate integrity and mutual respect. The Board of Directors, led by the Chairman, is responsible for the governance of LBFL, and developing effective Governance Framework to meet challenges, both in the short and long term. The Board is committed to reviewing and improving our systems to provide transparency and accountability, and initiate transformational changes whenever necessary to ensure best practices are maintained and enhanced according to the principles of Corporate Governance.

We continually review our systems and procedures to provide transparency and accountability, and update our Corporate Governance policies to keep in line with the stipulated quidelines.

#### 6.5 Chairman of the Board of Directors

The Chairman of the Board is elected by the directors. The Board considers that the Chairman is independent.

#### 6.6 Role of the Chairman

The Chairman leads the Board. The Chairman serves as the primary link between the Board and management, and works with the Managing Director and the Company Secretary to set the agenda for Board meetings. It is the Chairman's responsibility to provide leadership to the board and ensure that the Board works effectively and discharges its responsibility as directors of the Company.

## 6.7 Separation of the role of Chairman and the Managing Director

At LankaBangla, in accordance with the DFIM Circular No. 07, dated 25-09-2007, a clear division of responsibilities between The Chairman and The Managing Director, allows the Chairman to assume the formal role of an independent leader that chairs all Board meetings and lead the Board in its oversight of management. At annual general meetings and other shareholder meetings, the Chairman plays a pivotal role in fostering constructive dialogue between shareholders, the Board and management. Any questions from shareholders are attended to and addressed at such shareholder meetings.

#### 6.7.1 The Chairman's responsibilities include

- Leading the board and ensuring its effective functioning.
- Setting the ethical tone for the board and company
- Setting the board's the agenda, in consultation with the Managing Director and the Group Company Secretary.

#### **6.5 Internal Audit Function**

The Audit Committee approves the terms of reference of internal audit and reviews the effectiveness of the internal audit function. In line with leading practice, it to provide independent and reasonable, but not absolute, assurance that the LankaBangla system of risk management, control, and governance processes, as designed and implemented by senior management, are

adequate and effective. Internal Audit reports on the adequacy of the system of internal controls to the Audit Committee and management, but does not form any part of the system of internal controls. Internal Audit has implemented risk-based audit processes. Audit work is prioritized and scoped according to an assessment of risk exposures, including not only financial risks, but operational, compliance and strategic risks as well.

The work undertaken by Internal Audit includes the audit of the Company's system of internal controls over its key operations, review of security and access controls for the Company's computer systems, review of control processes within and around new products and system enhancements, and review of controls over the monitoring of market, liquidity, and credit risks. Internal Audit also participates in major new system developments and special projects, to help evaluate risk exposures and to help ensure that proposed compensating internal controls are adequately evaluated on a timely basis. It also ascertains that the internal controls are adequate to ensure prompt and accurate recording of transactions and proper safeguarding of assets, and that the Company complies with laws and regulations, adheres to established policies and takes appropriate steps to address control deficiencies. The Audit Committee is responsible for the adequacy of the internal audit function, its resources and its standing, and ensures that processes are in place for recommendations raised in internal audit reports to be dealt with in a timely manner and outstanding exceptions or recommendations are closely monitored. Internal Audit reports functionally to the Audit Committee and administratively to the Managing Director, and has unfettered access to the Audit Committee, Board and senior management, as well as the right to seek information and explanations. The Audit Committee approves the appointment and removal of the Head of Internal Audit.

#### 6.6 External Audit
